Sir,

Re - Continuance of the additional temporary establishment for the Drawing branch of the Trust Board

I have the honour to invite kind reference to this office letter No. G 173-4/48-49 submitting for sanction the resolution of the Board passed at its meeting held on 6-8-1948 in connection with the continuance of the additional temporary establishment of the Drawing section of the Trust Board and to state that no orders have yet been received from Government sanctioning the continuance of the establishment from 1-10-1948 In the absence of orders from Government, I am afraid that the Auditor, Public Works Department may object to the claim of the establishment for October 1948 and onwards

2 I therefore request that the Auditor, Public Works Department may kindly be instructed to pass the salary bill of the establishment referred to above, from October 1948 and onwards provisionally pending the issue of formal orders of Government to the continuance of the establishment beyond 1-10-1948

3 The favour of early orders is requested as the present term of thas additional establishment expired on 30-9-1948
